

Presentations

2007 Ohio Family Medicine Symposium on Research and Education, Cherry Valley Lodge, Newark, Ohio, on April 21:

Edward Onusko, M.D., presented “Using the ACGME Outcomes Project Resources to Revise a Cardiology Curriculum.”

Jennifer Bain, M.D., presented “Utilizing a Prenatal Chart Review as a Resident Assessment Tool.”

W. Fred Miser, M.D.; and Ellen Vogt presented “Screening for Health Literacy—Which Test is Best?”

W. Fred Miser, M.D.; Sabahat Iqbal, M.D.; and Pam Dull, M.D.; presented “Urinary Incontinence: Prevalence in a Primary Care Population.”

Dinah Fedyna, M.D.; and Ellen Wagner, M.A.; presented “Introducing an Oral Health Curriculum.”

Susan Labuda Schrop, M.S.; Julie Mask; Brian Pendleton, Ph.D.; LuAnne Stockton, B.A., B.S.; Ellen Whiting, M.Ed.; and Elise Schrop presented the poster “Project Understanding: Patient Education Resources for Improved Health Literacy.”

Susan Labuda Schrop, M.S.; Brian Pendleton, Ph.D.; Christian Ritter, Ph.D.; Gary McCord, M.A.; and Anthony Costa, M.D.; presented the poster “The Relationship Between Depression and Patient’s Stage of Change for Preventive Health Behaviors.”

Linda Stone, M.D., presented “A Family Medicine Honors Program that Begins with Our Students.”

Doug Knutson, M.D.; Scott Merryman, M.D.; and Joan Simon, Ph.D.; presented “Using Team Learning to Teach Behavioral Science.”

Ed Bope, M.D.; Mrunal Shah, M.D.; Kristien Rundell, M.D.; and Greg Whisman, M.D.; presented “The Electronic Medical Record: Challenges and Opportunities.”

Gloria Ross, Ph.D., presented “The Secret to Diabetes Self-Care” to a diabetes-insulin pump support group on Feb. 19.

W. Fred Miser, M.D., presented “Understanding Your IRB” during a workshop given at the 34th North American Primary Care Research Group Annual Meeting in Tucson, Ariz., on Oct. 18, 2006.

W. Fred Miser, M.D.; and Kate Gerges, R.N., C.N.P.; presented “Preparing Your Patient for Worldwide Travel” a one-hour live and online, on-demand continuing medical

education Web cast given as part of The Ohio State University MedNet 21 in Columbus, Ohio, on Jan. 12.

Anthony Costa, M.D., presented “Chronic Disease Management: The Chronic Care Model and Beyond” during the Association of Departments of Family Medicine Annual Meeting in Savannah, Ga., on Feb. 23; and “When Should we Stop Screening in the Elderly” during Primary Care Update: Healthy Aging from Womb to Tomb in Orlando, Fla., on April 20.

40th STFM Annual Spring Conference in Chicago, Ill., April 25-29:

LuAnne Stockton, B.A., B.S.; Anthony Costa, M.D.; Julie Robbs, M.A.; Dennis Baker, Ph.D.; and Jim Tysinger, Ph.D.; presented “Developing Physician/Non-Physician Working Teams: Strategies and Principles.”

Susan Labuda Schrop, M.S.; Ellen Whiting, M.Ed.; LuAnne Stockton, B.A., B.S.; Brian Pendleton, Ph.D.; and Anthony Costa, M.D.; presented the poster “Educating Healthcare Professionals about Health Literacy.”

W. Fred Miser, M.D.; presented “Teaching Outstanding Medical Learners.”

Doug Knutson, M.D.; Scott Merryman, M.D.; and Joan Simon, Ph.D.; presented “Integrating the Art of Behavioral Science into Patient Care: The PDQ/APPS Experience.”

Janeen Drazdik, M.D., presented “Half the Woman I used to be and Twice as Wise” during the STFM National Conference on Patient Education in Orlando, Fla., in November 2006.

Randall Longenecker, M.D., presented “Rural Health Scholars: Attracting Students to Excellence in Generalist Practice” during the STFM Predoctoral Meeting in Memphis, Tenn., on Jan. 27.

Rural WONCA in Seattle, Wash., on Sept. 9, 2006:

Peter Baker, M.D.; Diann Eley, M.D.; and Randall Longenecker, M.D.; presented “Sharing Narratives Online: An International, Self-organizing Curriculum in Rural Health.”

Randall Longenecker, M.D., presented a workshop “The Genius of Small: Designing Quality Community-based Education.”

Ann Steck, M.D.; Scott Ross, M.D.; Kristen Gennari, M.D.; Marcia Braun, M.D.; Marc Naderer, M.D.; Marguerite Winslow, M.D.; and Brandon Walters, M.D.; presented a health fair to second graders at Evergreen Elementary School in Metamora, Ohio, that covered careers in medicine, nutrition, personal hygiene and germs, and how to keep the heart and how to keep it healthy.

Susan Labuda Schrop, M.S.; and Brian Pendleton, Ph.D.; presented “Considerations for Helping Ensure the Success of PBRN Research: The Semantic Differential for Research Scale” during an AHRQ Practice-based Research Network Meeting May 16-18.

Linda Stone, M.D., presented “An Institutional Approach to Addressing Professionalism in Academic Health Centers” during the Association of American Medical Colleges, CGEA meeting in Indianapolis, Ind., on March 23; “Family Medicine and Things Closest to Your Heart” the keynote presentation during the California Academy of Family Physicians Annual Meeting dinner on March 30; and “Professionalism” during an intern orientation for the Grant Family Medicine Residency Program on June 29 and to The Ohio State University Family Medicine Residency Program on July 2.

John Miller, R.Ph., presented “Therapeutic Approaches to Diabetic Management to APN on June 20; and “Pharmacological Management of Diabetes” to nurse interns on June 26.

Steve Swedlund, M.D., presented “Evaluation and Management of Delirium during nursing education at Miami Valley Hospital on April 19.

Mary Beth Rodes, M.D.; Paul Hershberger, Ph.D.; Teresa Zryd, M.D., M.S.P.H.; and Adrienne Stolfi, M.S.P.H.; presented the poster “Self-control and Professionalism” during the 2007 Accreditation Council for Graduate Medical Education Annual Educational Conference in March; and the poster “Professionalism—Documentation of Competence (ProDOC) during the 39th Annual Workshop for Directors of Family Medicine Residencies in June.

Ed Bope, M.D.; and Christine Hudak, M.D.; presented “Dealing with Difficult Faculty” during the Program Directors Workshop in June.

Riza Conroy, M.D.; and Bushra Siddiqi; published “Dyspepsia” *34(1)*97-108.

Rob Crane, M.D., published “The Most Addictive Drug, the Most Deadly Substance: Smoking Cessation Tactics for the Busy Clinician” *34(1)*:117-135.

Honors, Awards & Special Recognition

2007 Ohio Family Medicine Symposium on Research and Education in Newark, Ohio, on April 21.

W. Fred Miser, M.D.; and Ellen Vogt received the most outstanding research presentation award from the Ohio Academy of Family Physicians for their presentation “Screening for Health Literacy—Which Test is Best?”

Susan Labuda Schrop, M.S.; Julie Mask; Brian Pendleton, Ph.D.; LuAnne Stockton, B.A., B.S.; Ellen Whiting, M.Ed.; and Elise Schrop; received the best education poster presentation award for their poster “Project Understanding: Patient Education Resources for Improved Health Literacy.”

Susan Labuda Schrop, M.S.; Brian Pendleton, Ph.D.; Christian Ritter, Ph.D.; Gary McCord, M.A.; and Anthony Costa, M.D.; received the best research poster presentation award for their poster “The Relationship Between Depression and Patient’s Stage of change for Preventive Health Behaviors.”

Linda Stone, M.D., received first place in the category Outstanding Education Presentation for “A Family Medicine Honors Program that Begins with Our Students”

Mary Krebs, M.D.; and Chad Fogt, D.O.; received the John Worthman, M.D., Award from the Miami Valley Hospital Family Practice Residency on June 30.

Heather Kleinhenz, M.D., received the Society of Teachers of Family Medicine Resident Teaching Award on June 30.

Jon Baker, D.O., received the Arnold P. Gold Humanism and Excellence in Teaching Award from Wright State University Boonshoft School of Medicine Class of 2008 on July 16.

Lisa Kaiser, M.D., received the Miami Valley Hospital Department of Medical Education Outstanding Resident Award on from the Miami Valley Hospital Department of Medical Education on May 30.

John McConaghy, M.D., received the Excellence in Teaching Award from The Ohio State University College of Medicine and the Family Physician Faculty Teacher of the Year from The Ohio State University Department of Family Medicine Residency Program in June.

Christine Hudak, M.D., received the OBGYN Teaching Appreciation Award from the Riverside Methodist Hospital OBGYN Residents in June.

Awards presented on June 24 from The Ohio State University Family Medicine Residency Committee:

Somil Gupta, M.D., received the STFM Resident Teacher Award.

Paul Nanda, M.D., received the Dr. Tennyson Williams Outstanding Resident Award and the Dr. Bryan Beggin Community Service Award.

Almas Jakda, M.D., received the Resident of Excellence Award.

Sarah Bonza, M.D., received the Research and Scholarship Award.

Reno Ravindran, M.D., received the Resident Ambassador Award.

Awards presented on June 24 by The Ohio State University Family Medicine Residents:
Shalva Kakabadze, M.D., received the Urban Family Physician of the Year Award.

Scott Merryman, M.D., received the Family Physician of the Year Award.

Eric Prenger, M.D., received the Arnold P. Gold Foundation Humanism and Excellence in Teaching Award from The Ohio State University College of Medicine in May.

Ed Bope, M.D., received the Association of Family Medicine Residency Directors Gold Award in June.

Other News

W. Fred Miser, M.D., was appointed to a national committee, Enhancing the Practice of Prevention: Reducing the Burden of Cardiovascular Disease, of the Partnership for Prevention. Partnership for Prevention is a national organization dedicated to building evidence of sound disease prevention and health promotion policies and practices and advocating their adoption by public and private sector.

John Miller, R.Ph., was elected president-elect of the Ohio Society of Health Systems Pharmacists.

Dale Patterson, M.D.; was featured on WTVG-TV, Channel 13, on the segment “What’s Going Around” that discussed respiratory syncytial virus (RSV) which aired on Feb. 20.

Gregory Swartz, D.O., participated in the Ohio University Hospital Day on March 28 where he had an opportunity to meet with approximately 200 first and second year students to present information on clinical training programs at their hospitals.

The Miami Valley Academy of Family Physicians (MVAFP) 13th Annual CME Program took place on March 14 in Dayton, Ohio. The day-long course was attended by family physician residents from both the Dayton Community Family Medicine Residency and the Miami Valley Family Practice Residency along with family physicians from the greater Dayton area. A highlight of the day was a presentation by Larry Fields, M.D., past president of the American Academy of Family Physicians, on “The Future of Family Medicine.” Attendees also enjoyed other excellent talks and workshops. During the luncheon meeting, MVAFP President Warren Ljungren, M.D., presented awards to area premedical students who aspire to be family physicians as well as awards to the outstanding family physician residents from the Dayton Community Family Practice Residency Yamini Teegala, M.D., and the Miami Valley Family Practice Residency, Chad Fogt, D.O. The Family Physician of the Year award was presented to retired practitioner Jack Lewis, M.D.

Tara Wagner, residency coordinator for The OSU Rural Program, was installed as president of the Association of Family Medicine Administrators during the Residency Program Solutions (formerly RAP) Workshop in Kansas City, Mo., on April 1.

Scott Ross, M.D.; Ann Steak, M.D.; and Shirley Bodi, M.D.; conducted athletic physicals on nearly 100 Evergreen student athletes during an evening at the end of May.

The Ohio State University College of Medicine Family Practice Interest Group (FPIG) and Family Medicine Leadership Development Program (FMLDP) received one of 10 Program of Excellence Awards from the American Academy of Family Physicians on Aug. 1. This is the seventh consecutive year for FPIG/FMLDP to receive this national honor.

John Miller R.Ph., became president-elect of the Ohio Society of Health Systems Pharmacists on May 10.

Keith Holten, M.D., led a medical mission trip to the Amazon state of Brazil for two weeks in April. Several students and residents participated.

Christine Hudak, M.D., completed a fellowship in the National Institute of Program Directors Development in June.
