

2009 Past Presidents' Quilt

This year OAFP Past Presidents are donating a beautiful Ohio Amish-made quilt custom designed exclusively for OAFP. The quilt's blue and off-white Log Cabin patchwork design represents OAFP's logo colors. A hand pieced and quilted home repeats in the quilt symbolizing the medical home provided by the family physician and quilted hearts around the border represent the "heart" in family medicine. The queen size quilt is currently being hand quilted in the Holmes county community of Mount Hope, OH.

A drawing will be held on Saturday, August 8, 2009
at the Ohio Academy of Family Physicians Annual Dinner.
