

## **OAFP Partners with Atlantic Health Partners for Vaccine Savings and Advocacy**

Get deeper discounts on vaccines, reimbursement support with payers, and timely updates about new products, changes and promotions!

Ohio Academy of Family Physicians has partnered with Atlantic Health Partners (AHP) because AHP can save family physicians money, advocate for fair payment and support family medicine and our chapter. Joining the AHP program is free to your practice and enrollment is completely voluntary.

As a member of AHP, your practice places orders directly with sanofi pasteur and Merck and receives the most favorable pricing and purchasing terms for pediatric, adolescent, adult and flu vaccines.. AHP also advocates on your behalf with payers for fair and reasonable vaccine reimbursement. Furthermore, AHP can provide assistance to your practice related to billing, coding and inventory management.
