FOR IMMEDIATE RELEASE

OAFP Foundation Announces Summa Foundation 2011 Corporate Membership

(COLUMBUS, Ohio) – The Ohio Academy of Family Physicians Foundation (OAFP/F) announces Summa Foundation, Akron, OH, as a 2011 Corporate Member.

OAFP/F is a recipient of corporate donor support from Summa Foundation since 2009. The continued corporate support of Summa Foundation demonstrates its involvement, interest and commitment to the OAFP/F mission to improve and increase access to quality health care for all Ohioans by generating student interest in the specialty of family medicine.

The Summa Foundation is a nonprofit organization advancing transformational philanthropy, community understanding and goodwill for the programs and priorities of Summa Health System. Incorporating fund development, government relations, community relations and diversity, the Foundation creates and implements innovative partnerships, health policy opportunities and funding strategies to support the health system's education, research and patient care agenda. For more information, visit www.thesummafoundation.org.

Generous support from Summa Foundation and other OAFP/F corporate partners increases OAFP/F's capacity to offer programs that not only encourage medical students to choose a career in family medicine, but provide immediate benefit to Ohio's medical students, their future patients and the communities they serve – creating a healthier Ohio for all citizens today and for years to come.

The mission of the Ohio Academy of Family Physicians Foundation, as the philanthropic arm of the Ohio Academy of Family Physicians, is to improve and increase access to quality health care for all Ohioans by generating student interest in the family medicine specialty.

Ohio Academy of Family Physicians is a statewide, professional association with more than 4,000 members, including practicing physicians, family medicine residents and medical students. The scope of family medicine encompasses all ages, both sexes and every disease entity. Family physicians provide comprehensive, continuing care to all members of the family.
