Statewide Family Physicians Foundation Announces UnitedHealthcare Community Plan of Ohio 2011 Corporate Membership

(COLUMBUS, Ohio) – The Ohio Academy of Family Physicians Foundation (OAFP/F) announces UnitedHealthcare Community Plan of Ohio (formerly Unison Health Plan of Ohio), Columbus, Ohio, renews 2011 Corporate Membership.

OAFP/F is a recipient of corporate donor support from UnitedHealthcare Community Plan of Ohio since 2009. The continued corporate support of UnitedHealthcare Community Plan of Ohio demonstrates their involvement, interest and commitment to the OAFP/F mission to improve and increase access to quality health care for all Ohioans by generating student interest in the specialty of family medicine.

UnitedHealthcare Community Plan of Ohio provides services to Ohio Medicaid members in two programs: Covered Families and Children (CFC) and Aged, Blind, or Disabled (ABD). The CFC program includes the Ohio Healthy Families Medicaid program (Temporary Assistance to Needy Families) and Ohio's Healthy Start program (Children's Health Insurance Program). Services to the ABD population are part of a statewide managed care program. The company is part of UnitedHealthcare Community & State, the public sector health care business of UnitedHealth Group (NYSE: UNH), a diversified Fortune 50 health and well-being company. UnitedHealthcare Community & State serves more than 3.3 million members in government-sponsored health care programs in 24 states and the District of Columbia. Visit www.uhcommunityplan.com for more information.

Immediate past OAFP/F Board Chair, Linda Post, MD, is medical director at UnitedHealthcare Community Plan of Ohio.

Generous support from OAFP/F corporate partners increases the Foundation's capacity to offer programs that not only encourage medical students to choose a career in family medicine, but provide immediate benefit to Ohio's medical students, their future patients and the communities they serve – creating a healthier Ohio for all citizens today and for years to come.

The mission of the Ohio Academy of Family Physicians Foundation, as the philanthropic arm of the Ohio Academy of Family Physicians, is to improve and increase access to quality health care for all Ohioans by generating student interest in the family medicine specialty.

Ohio Academy of Family Physicians is a statewide, professional association with more than 4,000 members, including practicing physicians, family medicine residents and medical students. The scope of family medicine encompasses all ages, both sexes and every disease entity. Family physicians provide comprehensive, continuing care to all members of the family.
