

Driving Actions: Advocate. Communicate. Educate.

Committees, workgroups task forces, and resource teams share many of the same attributes, but differ in duration and focus. **Standing Committees** are groups which are required in our Bylaws to address a specific function; **Regular Committees** focus on related issues that require ongoing attention; **Workgroups** have a singular focus but reoccur on an annual basis; **Task forces** address more specific issues/programs and are disbanded once they've achieved their goal; **Resource teams** are a group of members who agree to serve as a collaborative of experts and are mobilized virtually to respond on a specific issue.
