**Party Time!**

The Foundation typically hosts a few fundraising activities during the OAFP Annual Meeting including a wine pull and quilt raffle. Luckily, the quilt raffle is still going strong but we unfortunately couldn't host a wine pull. So, during the party, we hope you will take a few moments to make a contribution to the Foundation and help us support the 88 students and 3 residents that participated in Foundation programming this year!

To make it fun, we've created a few categories you can consider when making your donation.

1. Amount of years you've been a family physician
2. Value of the wine bottle (or other drink of choice) you're enjoying
3. \$21 to honor someone that's been amazing in 2021
4. \$75 to support one day of a student's stipend in the Preceptorship Program
5. \$200 to support a student/resident scholarship to the AAFP National Conference
6. \$375 to support one week of a student's stipend in the Preceptorship Program
7. \$1,500 to support a full, 4-week student stipend in the Preceptorship Program
