

Approximately 80% of all practicing family physicians in Ohio are members of the OAFP

By partnering with the Ohio Academy of Family Physicians (OAFP), you are collaborating with Ohio's largest statewide professional association for family physicians, family medicine residents, and medical students, and one of the most active chapters of the American Academy of Family Physicians.

AUDIENCE | Family Medicine

Established in 1948, the OAFP is a statewide, professional association with 5,200 members, including practicing family physicians, family medicine educators, family medicine residents, and medical students. The OAFP is one of the largest state chapters of the American Academy of Family Physicians.

The mission of the OAFP is to improve the health of patients by advocating for and advancing the specialty of family medicine and providing valuable solutions to the diverse needs of members.
