Spring 2020 TeleECHO Clinic

Reducing the Burden of Hypertension

No-Cost CME credits available.
The MetroHealth System is accredited by the Ohio State Medical Association to provide continuing medical education for physicians, and designates this educational activity for a maximum of 12 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Other Healthcare Professionals: check with your professional association as these credits might be applicable for licensure renewal.

For information on Project ECHO®, visit echo.unm.edu.

How It Works
Cardi-OH ECHO utilizes simple videoconferencing technology to conduct virtual clinics with community health care providers in Ohio.

This hub-and-spoke model connects physicians, nurses and other clinicians with a multidisciplinary panel of experts who provide the specialized knowledge they need to care for patients with complex conditions.

Each clinic is comprised of a brief didactic presentation by the specialist expert, followed by case studies of de-identified patients presented by community clinicians.

Curriculum Highlights
» Motivational interviewing
» New strategies for blood pressure management NEW!
» Social, economic, cultural and environmental influences upon blood pressure
» Management of side effects NEW!
» Special populations: elderly, African Americans, children and adolescents, NEW! patients with disabilities
