January & February

- Team members review program's team webpage
 - Review background information, guidelines, etc.
 - Watch four recorded educational videos
 - CME webinar series evaluation:
<https://www.surveymonkey.com/r/JLKL3G2>
- Set time to conduct a mapping exercise with members of the team that will be working on this improvement
 - Create a PDSA, find gaps in care, and determine a focus for intervention(s)
- Submit baseline data form to Kaitlin McGuffie
 - Data form due: **February 13, 2023**
- Kaitlin will provide comparison data after all baseline information is calculated
- Start implementing your change(s)!
 - Helpful materials (all available on the team webpage):
 - [General data collection tips](#)
 - [Quality measures & interventions](#)
 - [PDSA worksheet](#)
 - [Workflow and process mapping packet](#)

March

- At least one member of the team (all are encouraged to join), participates in a mid-program call to share updates and best practices. Hear from an expert speaker on HPV vaccination updates as well as join speakers from the recorded webinars for small group discussions to talk through any barriers and share successes.
 - Save the date: **Tuesday, March 21 @ 7:00 p.m.**

April

- Revisit the team webpage to review materials as needed
- Review your PDSA and workflows to ensure all is running as intended, make adjustments if something isn't working
- Check in with other team contacts for best practice sharing as needed!
 - [Program team contact sheet](#)

May

- Check in on how the project is going and get ready to submit final outcomes data
- Submit the following by **May 15, 2023**
 - Outcomes data form
 - [Attestation form](#) (**each** physician requesting credit needs to submit)
 - [Program evaluation](#); includes space to provide stipend information (one per team but any team member can provide feedback if interested)
- OAFP will provide each team a comparison of outcomes data for the project
- OAFP will provide a CME certificate for completion of the performance improvement activity
- OAFP will submit credit to the AAFP and ABFM for each family physician requesting credit (and that is eligible through those entities)
- OAFP will mail each team a \$500 stipend for participation in the program – teams may use this as they wish!

Note: most national organizations will recognize credit for this activity as AAFP accredited activities are transferable. Encourage all members of the care team that participated in the activity to connect with their accrediting body to determine if they can also claim credits.

April 2024

- OAFP may reach out to each team in the spring of 2024 to check-in on progress and any updated outcomes if teams are willing to share (completely optional, but would love to hear!). 😊
