The MetroHealth System Presents:
Department of Family Medicine Annual CME
Primary Care Procedures and Updates: Focus on POCUS (Point of Care Ultrasound)
May 5-6, 2023

COURSE SCHEDULE

Please join us as primary care physicians and APPs gain the skills and confidence needed to become a competent Point of Care Ultrasound (POCUS) practitioner. The course will cover the basics of POCUS and can be used as a pathway to receive ultrasound privileges and credentialing at individual institutions. The conference will cover the following aspects of POCUS that has been adapted for full spectrum family medicine training: renal, deep venous thrombosis, musculoskeletal and soft tissue.

In addition, pertinent clinical updates including self-care and health equity topics will be presented and discussed.
