Present

*The Fourth Annual
Humanism in Medicine Last Lecture Series*

Featuring Linda C. Stone, MD, MA, FAAFP
Special Assistant to the Dean for Humanism and Professionalism
Department of Family Medicine, Emeritus Faculty
The Ohio State University

The Last Lecture by Randy Pausch first appeared in print in 2008. Dr. Pausch simply asked, “What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy?”

We welcome Dr. Linda C. Stone, wife, mother, grandmother, medical educator and retired family physician for our fourth speaker in the Last Lecture Series. Please join us as she reflects on her personal and professional journey.
